SUMMARY

Driven by a passion for web development and a flair for creating intuitive user interfaces, I honed my skills at Oblizer Infotech, mastering CSS and JavaScript while focusing on responsive design. My journey from a front-end intern to aspiring full-stack developer is marked by a commitment to continuous learning and excellence in problem-solving.

WORK EXPERIENCE

Web Developer, Oblizer Infotech

Jan 2025 - Present

- As a Web Development Intern at Oblizer Infotech, the primary focus was on creating and optimizing user-centric web applications using modern front-end technologies. Collaborated with cross-functional teams to deliver responsive and aesthetically pleasing web solutions
- Developed and maintained responsive websites using HTML, CSS, and JavaScript.
- Worked on optimizing website performance and ensuring cross-browser compatibility.
- Participated in code reviews and debugging sessions to enhance the quality of deliverables.
- Gained hands-on experience with version control systems like Git.

EDUCATION

Bachelor of Computer Science
